FALL NEWSLETTER [2016]

Steepprock ABAY BIBLE CAMP

Is a year ever really over? God's work is not yet done at Steeprock! We hoped and waited to see what God would do and He has acted once again. God turned (what we know of) about **thirty camper's hearts** toward Himself this year! Thanks for being a part of that. You are reading this newsletter so YES I believe God used you.

So what now? Staff, campers and prayer warriors all shut down for an off season? I think NOT!! Continue to pray! Ask God for meaningful quiet times for all. That we would be strengthened and grow in the inner man. For real fellowship to happen with other believers, we need each other. I see this as a great need not only for campers but even for those in the church.

We prayed for more staff this year and God blessed us with more! Maybe the most Steeprock has ever seen and yes please pray for even more next year. This made camp run much smoother. From prayers, good leadership team and more staff this all equalled - less campers acting out in negative ways. Such as, leaving camp and walking down the road. Only a few did this which was huge in my mind. We Continued on page 2

Prayer Items

Steeprock Bay Bible Camp

Continued from page 1
thought there was an abundance of speakers but ended up in need. There weren't enough cooks either but God had it covered as He always does.

Remember to pray for our board. Thanks to them for what they pour into camp. The annual meeting is coming up and maybe you know of someone who would like to serve by being on the board. Also remember the contacts we have for each group of kids that come to camp. Our contacts have a huge impact on how many kids will come to camp. We saw increased numbers of campers from certain areas since we now have a contact there.

The new roof on the chapel got put to good use and kept us warm and dry. It seemed to me that many material things got put in shape this year. Thanks to all those that worked on the grounds. May God continue to bless as we work for His glory.
