Steeprock Bay BIBLE CAMP

Director's Corner

We are excited to have our camp leadership team selected. Helping us direct the camp as assistant director this year is Friederike Neufeld and the WayMaker leader is Megan Zacharias. We are looking forward to working at camp together for Gods glory.

The theme this year is on the life of Joseph. We will focus on how he stayed true to God where ever he was. As we go through life we are not always where we want to be; but remaining faithful to God though everything is so important.

As we get ready to serve the Lord this season at camp and are seeking His face; we are again reminded that the Lord is in control. He is willing and able to supply all our needs. Would you seek the Lord about these issues and pray with us?

Thank you so much for helping us get ready for camp by joining us in prayer. We look forward to seeing many of you at camp and at visitor nights. Thank you for your much needed support and care.

Steeprock Bay Bible Camp

Board Business

SBBC has frequently known the challenge of minimal staffing. We have been very excited to see God answer our prayers for a more robust complement of staff. This has however left us longing for more staff housing. We have had the opportunity to acquire a small building which we plan to use as a camp office and tuck shop. The cooks' quarters and current tuck shop will be retrofitted to make more staff housing. The renovation of these two buildings will be on the project list for the upcoming spring workdays. In addition to these larger projects, there are many other smaller projects that will need to be tackled as well. If you can swing a hammer, push/drive a lawnmower, or are familiar with the use of a rag and soapy water, you are welcome to come out for a workday and help get SBBC into camp mode for another summer.

We will also be in need of mattresses and fans to equip these rooms. If you can help us get our hands on these (or a few more non-breakable plates) please contact us. See below
