Steeprock Bay BIBLE CAMP

Praise God for our new director

We are excited to announce that Logan Bueckert is the new Camp Director! Logan and his wife Alicia are both graduates of Millar College of the Bible with a heart for ministry and for First Nations people.

They currently live in Austin where Logan is a mechanic and Alicia is a school teacher. Please pray for them as they take on this new adventure and ministry challenge!

April 17th and looking like winter!

Steeprock Bay Bible Camp

Greetings from the SBBC maintenance committee. As we start gearing up for this year's camp season we are thankful for God's many blessings. On March 31 Jacquie and I had the pleasure of picking up a commercial grade stainless steel sink to replace the two plastic laundry sinks in the kitchen area. This was one of the requests from the government inspector to have completed for the 2018 camp season.

As stated in the last letter I hope to meet with fellow committee members at the camp site to prioritise and make plans to carry out maintenance needed before and after camp season starts. I personally plan to be at the camp site every Saturday starting May 5th from 9am-2:30pm till camp begins. Extra help is always welcome and appreciated. If you are interested and need info you can call me (204 281 8133). A big “thank you” and “May God bless you” to those who are helping to meet the needs of the camp.

donated a set of BMX style bikes.
Thank you!

Policy Renewal

We as the board have felt the need to invest significant time into updating our camp policies. At the 2016 AGM the SBBC constitution was brought up, and we continue to put the finishing touches on that draft before the 2018 AGM. We are also working on a policy manual which addresses many safety procedures, among other things that have been brought up during camp inspections recently. Thank you for your patience as we work through these integral documents. If you have any suggestions for policies that we need to address, please contact us at info@steeprockministries.com.
